

# Financial Assistance Information Pack

Thank-you for your enquiry about assistance to meet the costs of a Pathways Foundation Program. The Pathways Foundation is a non-profit organisation with a policy that no person should be unable to participate in these important programs for financial reasons. We aim to keep costs as low as possible.

## ***How much do our programs cost?***

- The cost of the Pathways to Manhood Program is \$1600 (\$800 per participant) per father son couple.
- The cost of the Pathways into Womanhood Program is \$1,950 (\$975 per participant) per mother daughter couple and is inclusive of accommodation charge (cabin style).
- The cost of the YoungStars program is \$300 (\$150 per participant)
- The cost of the Leadership Development program (men and women's programs) is \$1,900 per participant.
- All programs require a deposit of \$600 with registration to secure a place.
- The balance of the camp cost is due 8 weeks before the start of the camp.
- The deposit is non refundable, but transferable for 12 months if changed more than 8 weeks before the camp starts.

In the event that the above payment arrangement is difficult for you to meet we are happy to work with you to arrange an alternative payment plan. Please see details below for your options, which are subject to approval by the Pathways Foundation.

## ***Payment Plan Options***

Payment plan options are available for all programs, with the exception of YoungStars. You can apply for a payment plan to cover part or all of the cost of the program. We offer payment plans for up to 10 months based on regular monthly payments made by credit card – we keep on file and process monthly in the last two working days OR by bank transfer where you can give evidence that a regular bank transfer has been set up. We currently do not have direct debit facilities.

## ***Scholarship Options***

Scholarship options are available for all programs, with the exception of YoungStars, and Leadership programs. You can apply for a scholarship to support you been able to attend a program.

The Pathways Foundation, with the support of various Foundations and corporate donors, has established a **scholarship fund** to offer financial assistance for those families who could otherwise not afford to attend the program. This includes single parent families, low-income families, those experiencing unemployment or other demonstrated financial hardship. Financial assistance in the form of a scholarship will be granted on the understanding that the applicant makes a contribution in an amount he or she can afford, and we understand for some families this may be no financial contribution, and that they provide a testimonial after the camp.

Every application for scholarship will be assessed individually, based on the needs of the applicant.

## ***How do I apply?***

Complete the attached Payment Plan Application and /or Scholarship application forms and return to us with your completed camp registration form. All applications are assessed as quickly as possible and you will be contacted to discuss your application and to finalise arrangements.
