

A Call from the Pathways Council members for Grass Roots Funding Action

The Pathways Foundation is seeking your support to keep Pathways alive and operating as a sustainable community based organisation.

Pathways needs to cover administration and operational staff costs so Pathways can deliver its mission of real cultural change where young people in this country can benefit from undertaking a rite of passage.

Pathways is requesting a small monthly donation from our past participants and others who are supportive of Pathways work. Our philosophy is that if we all give a little we all take part from a grass roots level in assuring Pathways is around for future generations to support families across Australia.

What is a little

Donate the equivalent of one hours work time per month

If you earn \$10 an hour then your donation is \$10 per month. If you earn \$1,000.00 an hour then your donation is per \$1,000.00 a month.

Donate the equivalent of two cups of coffee per month or one lunch at a cafe

per month then your donation is \$10 per month.
